When I find myself in the default Finders window, there is a menu bar with a Window menu. Where is this menu located in other Eclipse installations? I was able to change this in the preferences, but I'd rather have my default setting. A: Window -> Preferences -> General -> Editors -> Text Editors -> Appearance Drag the window border and move it where you want it on your screen. A very bloody weekend of racing at Coon Rapids and Enderlin saw a field filled with teams that are typically 1-2 deep in the points in most of the other series across the country. That doesn't bode well for the regular season. Going into Sunday, the leaderboard was filled with familiar names. Jake Fritsch was the leader in the Coon Rapids Mile and the Coon Rapids Classic. James Siefke was the leader in the Enderlin Mile and Twin
